

IMPORTANT MESSAGE FROM PENNSYLVANIA AMERICAN WATER

Dear Customer,

Pennsylvania American Water will be performing Water Meter Reading Device upgrades in your area. Hydrotech Inc. will be our contractor performing this work. You may see Hydrotech employees working outside making the upgrade. This should only take a few minutes. This is essential work to maintain quality service for you as a valued customer. If you have any questions or concerns, please call our local office - 610-588-3034.
